# PUBLIC TRANSPORTATION IN VILNIUS

Public transportation in Vilnius is developed fairly well and can get you just about anywhere in the town. In extra cases you can pick up a taxi.

Please note, that taxi rank service next to the airport applies the following charges:

1,45 EUR for entrance + 1-1,16 eur/km. Therefore, we recommend book a taxi by using mobile app Bolt (<https://bolt.eu/cities/vilnius/>) - charges are lower and you can book a taxi in advance. Uber is also available in Vilnius, thus if you are used to Uber services in your country you are welcome to use them in Vilnius as well.

An option for less expensive travel by taxi is to call a taxi by phone (city information desk at the arrival hall can do it for you). Cheapest Vilnius taxi telephone numbers: +370 611 11111; +370 5 233 3333; +370 5 2405405; +370 5 2705705; +370 5 2757575; +370 5 240 0500. The charge of “called by phone” taxi is approximately 0,90-1,20 eur/km.

More for taxi telephone numbers check at:

<http://www.vilnius-tourism.lt/en/tourism/transport/taxi/>

# Uber

In general, when travelling around the city, it is much better to order taxi by using mobile APP's (Bolt, Uber) or call a taxi company by phone, because of “catching” it on the street might cost you both additional 4-6 eur for entrance + doubles rates per each kilometre...

# NOTES ON PUBLIC TRANSPORTATION

When staying in Vilnius for longer period it is advisable to obtain from the Press kiosk at the Airport an E-tickets card for 1,5 eur (“Vilniečio kortelė”)
